Society for East Asian Archaeology

6-10 June 2014, Ulaanbaatar, Mongolia

The Society for East Asian Archaeology (SEAA) is pleased to announce that the Sixth SEAA Worldwide Conference will be held in Ulaanbaatar, Mongolia, on June 6-10, 2014. The conference will be hosted by the Department of Archaeology and Anthropology at the National University of Mongolia. The local organizer of the conference is Professor D. Tumen.

The conference offers an opportunity for researchers to present the results of their work on any of a broad range of topics relating to East Asian Archaeology. We look forward to receiving proposals for individual presentations and organized sessions that continue to highlight the growth and depth of East Asian archaeology as a field of study.

Post-conference tours to archaeological and historical sites in Mongolia are also being planned.

Information about SEAA, SEAA membership, and the Sixth Worldwide conference in Ulaanbaatar (including the relevant membership, registration and proposal forms) is available on the SEAA website: <http://www.seaa-web.org/>

The deadline for the submission of presentation and session proposals is **November 30, 2013**
